Dear Parents,

Another very busy week in school. I enjoyed interviewing some of our younger students for House Captain positions. The school has a bright future with so many caring and engaging students who are willing to give back to the school and their fellow students.

Next week is Healthy Living Week, along with our various Sports Days. Please encourage your children to eat responsibly and encourage them to participate on Sports Days. I look forward to welcoming all parents to enjoy these days at the local sports fields, a short distance from school.

Thank you for your continued support.

HEALTHY LIVING WEEK February 5th – February 8th 2023

Ms. Aya

Headteacher of Primary

Children in Key Stage 2 being interviewed for the House Captain Positions.

Dear Parents,

It has been a very busy week in our Primary School. KG and Reception have been getting ready for their Sports' Day on Sunday and the rest of the Primary to follow on Monday and Tuesday. This will be an exciting event for everyone, do join us, if you can, on the field and cheer with our children.

This week, we have had interviews for our Primary House Captains and the successful candidates will be introduced next week.

Year 6 had their transition to Secondary School Day on Thursday. It was a very exciting and informative time for them.

Wishing you a relaxing and enjoyable weekend.

A message from:

Mr. Andy

Headteacher of Secondary

The Year 6 students took part in transition day this week. It provided them with the opportunity to experience learning within our Secondary School by participating in fun and engaging taster lessons. The teachers really enjoyed themselves and the feedback from the Year 6 students was excellent. We hope to see all our Year 6 students, making the transition into secondary, next year.

DATES FOR THE DIARY:
