Dear Parents,

It has been another busy week at CES.

Football fever has hit the school, and it is great to see so many of our students in their favourite team's uniform today. It has been great to see students, staff and even some parents trying to predict scores. Every morning we recognise those who have guessed correctly!

Yesterday our Senior Basketball side took IBS. It was a tough game, but our students showed great spirit and determination. They never gave up! We were all very proud of them and look forward to more fixtures in the future.

Secondary students have done their practical exams this week, and I wish them success in their upcoming written examinations.

Whilst attendance is improving, I am concerned at the number of students who leave early, particularly on a Thursday. No students can leave early unless the relevant Head gives permission.

Thank you for your continued support.

QUR'ANIC RECITATION COMPETITION

The Islamic staff honoured the students who participated in the Qur'anic recitation competition organised by the General Administration for Private Education 2022/23.

World Cup Winners

We have been enjoying the World Cup this week and it has been exciting to see who made the correct predictions.

Well done to all the students and staff supporting their teams that won their matches this week.
