Dear Parents,

Another week has flown by since returning from our mid-term break. I always love to see the students return to school so energised and ready to learn.

Over the course of this last week, I have been in and out of several classes and have spoken to many students around the school each day. The positive attitude towards their learning and to each other is overwhelming and makes us all so proud.

As I always say, positive parent partnership is crucial to our success. It's been wonderful to meet so many of you both before and after school each day.

I'm always happy to hear your thoughts and ideas.

Together we are stronger.

Have a fabulous weekend!

Mr Leigh
Director

CES this week... in pictures...

EYFS

A great first week back! Nursery are enjoying their new topic, all about Eating Healthily. They have made fruit smoothies, tasted fruit and they enjoyed their dress up day. We hope that this will promote more joy in eating fruit and vegetables! Parents, please support us by ensuring your child has a healthy packed lunch every single day!

Reception have been enjoying the second part of their topic, where they are learning about real-life superheroes in our local community and they too enjoyed a dress up day!

Wishing you a lovely weekend!

Ms Ashley (Head of EYFS)

PRIMARY

Dear Parents,

So happy to see our students back from break this week. Many events coming up at school and as always our students are excited about engaging and preparing for our themed weeks. We are looking forward to our 1st Book Fair next week and dress up day on Thursday. We are also thrilled to welcome our visiting author, Mr Steve Davies, to our Year 2 on Thursday. Great week ahead!

Wishing you a relaxing and enjoyable weekend.

Ms Aya (Head of Primary)

SECONDARY

Dear CES community,

The English department within our secondary school, have been working on a number of exciting interactive and engaging learning activities, in order to further improve literacy across our school. The learning activities include the introduction of electronic devices and online applications, such as MS Teams, the development of electronic online assessments, plus a renewed focus on reading with the introduction of reading clubs, supported by our senior student mentors.

Have a great weekend!

Mr Andy (Head of Secondary)
