I am very happy to be part of the CES, Mangaf family. It is an honour to work alongside hardworking, dedicated staff. I am from London and although I miss the greenery, I do love that it is sunny every day here! Here's to a great academic year!

Dear Parents,

I hope this finds you all well and looking forward to having your children home next week.

It has been a very busy start to the year, and it is good to have clubs back, and the first trips being planned!

Our roll continues to grow, and our school is a vibrant and busy place.

This week we have selected prefects for our Primary and Secondary Schools.

I was very impressed by the quality of our students, and their willingness to give back to their school. They are all proud to be students of CES Mangaf!

As we enter flu season, I would ask that you keep your child home from school if they have a temperature or feel generally unwell.

Thank you for your efforts on attendance and punctuality. They are improving! Enjoy the cooler weather and the break from school next week.

A date for your calendar is Thursday 10th November, which will be a chance to meet your child's teachers and discuss their progress.

Thank you for your continued support.

Ms. Soha

Head of Administration

I enjoy dealing with parents, teachers and administrative staff.

I'm so proud of a large number of students graduating from the school during my stay and I am looking forward to more students graduating.

A message from

Mr. Alfred

Deputy Head of Secondary

As one of the longest serving members of staff in the organisation, I have enjoyed working with parents, and multiple generations of students over the years, establishing an excellent rapport with both. My role is to support the Secondary team as we strive to enable each student to achieve excellence in all aspects of their development as they transition into young adulthood.

Mr. Andy

Headteacher of Secondary

It's been a very busy week in our secondary school. Our seniors were interviewed for student leadership positions, whilst nominations and voting took place for the student council.

The standard of the applications and interviews was excellent and winners will be announced very soon.
