Dear parents,

Welcome to our new look bulletin. We are hoping to expand this offering on a weekly basis, with more information and pictures from across the whole school.

Next Sunday, the 9th of October, we will be closed to mark The Prophets Birthday.

We will be offering a range of extra curricular activities (after school clubs) across term 1 and 2, so do look out for the sign up sheets for these. These will take place from 2.30 - 3.30pm during the week.

At CES, we are promoting healthy eating choices. We want the very best for our children and this starts with a healthy, nutritious meal. Please see the pictures below of some examples of some healthy packed lunches.

We have a new MIS called HUBs. This replaces Engage. We are currently rolling this out across the school. Parents will soon have access and be able to monitor their child's progress, attendance and points. Please ensure we have your correct email address.

Finally I wish to thank all parents for their continued support.

As of next week, homework and the weekly post will be sent out on Thursdays to give children more time to complete home learning tasks.
