Dear Parents,

Thank you so much for attending our 'Meet The Teacher' sessions across the school this week. It really was wonderful to see so many of you engaging with your child's education.

As I said at those meetings, our success is in the strength of partnership that we form. The school and yourselves have one common goal, we all want the very best for your children!

It has been such a positive start to the term, I am so proud of the positive attitudes and behaviour I have seen from the vast majority of students. Let's keep up the good work and have an amazing year.

It's also been great to see most students attending every day, on-time and in proper uniform. Let's keep that up too!

Have a wonderful weekend!

Mr Leigh
Director

DATES FOR THE DIARY:

- **Parents into Reading:** Wednesday 27th September 2023. Parents of **EFYS** children are invited into the classroom to read a book with their child from 7.15am until 7.45am

CES this week... in pictures...

EYFS

Dear Parents, thank you for attending the meeting on Monday. We hope that you found the presentation informative.

A reminder, to all, that the uniform shop now has PE kits available.

There will be a piece of paper in your child's bag with a TEAMS username and password. Please log into TEAMS to see your child's account. Please make sure that we have your most up to date email address and mobile numbers so not to miss out on important information.

Ms Ashley (Head of EYFS)

Children in Nursery this week developing their listening skills.

PRIMARY

Dear Parents,
It was wonderful meeting you at the Meet the Teachers event this week. I enjoyed our conversations and welcomed your positive feedback about this year's primary curriculum and suggestions. Please ensure that all students are on-time daily and in the quad by 7.15am. All classes with 98% or more attendance will be awarded with extra House Points. Have a good weekend and we look forward to seeing all of our students next week.

Ms Aya (Head of Primary)

SECONDARY

Dear CES community,

This week, students across key stage 3 and 4, took part in a number of practical experiments during their science lessons. The experiments enabled our students to experience how to safely and effectively conduct experiments, under the supervision of their teachers. The feedback from the students was excellent, so they will continue with this approach to learning, throughout the academic year.

Have a great weekend!

Mr Andy (Head of Secondary)
