Dear Parents,

On **Sunday October 15th** we will be holding our first Parent/Teacher meetings of the academic year. Appointments will run between 7am to 6pm. **There will be no school for students on this day.**

As before we will offer the option of both in-school and online meetings to ensure maximum convenience, although we prefer face-to-face meetings where possible.

This time we will be doing an online booking system, you will be required to login via your child's Microsoft Teams account in order to access this. All parents will be sent a link to the booking system on Monday of next week, so please ensure you have your child's Teams login details before then. The link will be sent via our HUB system to your email, so it is also important that we have a correct and up-to-date email address on our system.

Specific details of how to use the booking system will be sent to you shortly so please look out for this.

We are unlikely to have capacity to see parents without appointments, so please use the system.

Thank you and have a great weekend.

Mr Leigh
Director

Children's work on display related to the topic: Marvellous Me! Reception Blue Class.

CES this week... in pictures...

EYFS

Dear Parents, all of EYFS have been enjoying their topic this week: 'Marvellous Me!' The children have been learning to name the body parts, such as parts of the face. They have been very creative this week and have created self-portraits using a range of different materials!

Next week, we will be sending out Parent-Teacher meeting appointments via your children's Teams accounts, so please do let us know if you are having any problems logging in!

Have a wonderful weekend!

Ms Ashley (Head of EYFS)

PRIMARY

Dear Parents,
Another great week of learning in our Primary School. Attendance has been improving and we encourage our students to be at school on time all the time. Our students' leaders are excited about beginning their new journey with exciting ideas and projects which will add value to our school and help them learn new skills. I am very proud of all our students and the amazing team we have in our school.

As always have an enjoyable and relaxing weekend.

Ms Aya (Head of Primary)

SECONDARY

Dear CES community,
A very busy week in secondary with the introduction of our senior student mentorship program, recruitment and selection of our student council plus future planning initiatives for our year 11 and 12 students, through the introduction of Unifrog careers.

Together, we strive to ensure our students receive high quality learning and personal development opportunities, that will enable each and every student to become the very best.

Have a great weekend!

Mr Andy (Head of Secondary)
