Dear Parents,

It was great to meet so many of you out enjoying your child's sports day. The weather was very kind to us, and we all enjoyed our children participating in their new House Colours!

These events do not happen without a lot of preparation, and we are lucky to have such dedicated PE staff in Mr Aldin, Tsvetan and Ms Tedi. That these days ran so smoothly is a credit to them, and the class teachers.

All participants received certificates, and some students received medals. House trophies were presented this morning at Flag raising, with our Green House, Ireland, proving to be victorious.

Check out more great photos on our Instagram account.

Thank you for your continued support.

Headteacher of Primary

Dear Parents,

Pictures say a thousand words!

This has been a very exciting week for our Primary School students as they have enjoyed three wonderful days on the sports field where they demonstrated their skills, agility, and talents. It was great to see so many parents supporting the children and celebrating their success with us. Inside the classrooms, children have been learning about healthy eating and lifestyle habits, which we hope they will continue for the rest of their lives.

Wishing you a relaxing and enjoyable weekend.

Headteacher of Secondary

The Secondary students took part in their annual Sports Day this week and I have to say, it was a fantastic!

In addition to developing their physical and mental well-being, Sports Day also enables our students to learn new skills such as teamwork and leadership.

A big thank you to all our students, teachers, and parents for making it such a successful day, particularly the PE staff, who worked very hard to organise such a great event.
