Dear Parents,

Well done to all students who joined us online on Thursday, it's always challenging with days like this but the students engaged really well with their learning and teachers slipped back well into the routine that we perfected a couple of years ago. Thank you to the parents who supported the children to be able to join online effectively.

We may well have more 'rain days' in the coming months, so please do ensure your children attend the remote learning so that they do not miss out.

In school we have had some wonderful assemblies on friendship delivered by many of our talented students, a huge well done to all involved.

Hopefully the weather will be better next week!

Have a fabulous weekend!

## CES this week... in pictures...

### EYFS

Dear EYFS Parents,  
It has been a very exciting week for our EYFS pupils. We started our Friendship week with a song, which we performed to the whole school! Check out our Instagram for the video! The children have enjoyed their learning this week, but our highlight of the week was having a special visitor come and teach us about how to keep our teeth healthy. The doctor taught us about good and bad food choices and showed us how to clean our teeth properly. We even got a gift to take home. This experience links to Nursery's topic about Healthy Eating and Reception's recent topic about Heroes!

**Ms Ashley** (Head of EYFS)

### PRIMARY

Dear Parents,  
Well done to all students who joined our online learning on Thursday. This week also showcased our students' talents and mindfulness during our Friendship Week presentations. We are looking forward to our French Day presentations next Thursday. It should be very exciting for our students to display their French projects.  
Thank you for your continued support and wish you all a relaxing and enjoyable weekend.

**Ms Aya** (Head of Primary)

### SECONDARY

Dear CES community,  
This week, we hosted a fantastic University exhibition, where students and teachers had the opportunity to speak with a host of Kuwait based universities, colleges and education providers. With the correct information, support and guidance, our students can then make informed choices regarding selecting the most appropriate University and career pathway.

Have a great weekend!
