Dear Parents,
It has been a busy week with our Business and Enterprise Day, the beginning of clubs again, planting day and trips out in the Primary Department. I hope your children enjoy telling you about their day at school. Maybe you could regularly discuss this with them?

Attendance has dipped a little this week, but I am sure it will improve again next week. Please take extra care with your children around the parked cars at the end of the day and enjoy the cooler weather.

Thank you for your continued support.

Headteacher of Secondary

The year 9 students hosted a business and enterprise event across secondary this week. The purpose of the event was to set up a small business and showcase their enterprise expertise, whilst also developing their teamwork and leadership skills.

It was a fantastic learning experience, that provided our students with valuable experience on how to set up a business enterprise.
