**FIFA WORLD CUP**  
Qatar 2022

Dear Parents,

It has been another busy week in school, with our younger students enjoying Yellow Day today.

The Football World Cup being held in our region has caused a great deal of excitement in school. We are currently running a competition to guess the scores of upcoming games. Can you predict the score?

I am pleased with our improved attendance, and we will now be also targeting students who are often late to school.

Secondary students are coming up to their mid-year examinations. If they have prepared well, they will do well.

Thank you for your continued support.

Dear all, we have been learning about the new core value of the month: Resilience. Well done to the pupils who demonstrated resilience to their teachers last week. Resilience is an important value to learn, and we will be learning more about resilience in the upcoming weeks both in class and in our weekly assemblies.

We have a busy few weeks coming up, so it is very important that children come to school every day and that they are wearing the correct school uniform. Parents, please support by ensuring your child is here on time.
