Mr John welcoming Mr Leigh

Dear Parents,

It was a very long week back in school after our Eid break, and shortened hours for Ramadan. It has been great to see our students adapting so well to the changes in routines and timings.

This week we received our official BSO Report. I am absolutely thrilled that we have met the standard required after an intensive three-day inspection. Well done to all staff for their efforts. We will post a copy of the official report on our website.

After four years as Principal at CES Mangaf and a successful BSO inspection, it is time for me to move on. Next year Mr Leigh Hovey will take over as Principal for both the Mangaf and Hawalli schools. Leigh is a regular visitor to our school, and I am confident that the school will be in safe and experienced hands, and that he will continue to move the school forward. I have enjoyed the support of the students, staff and parents during my tenure, and I know that this will continue for Mr Leigh next year.

Thank you for your continued support.

Dear Parents,

It has been a great week having our students back at school. It will be a very busy term with preparations for the Reception graduation on the 17<sup>th</sup> May and the Year 6 graduation on the 18<sup>th</sup> of May. With the exams approaching quickly, teachers will ensure learning continues so that the children are well prepared for their exams.

As Always, I wish you an enjoyable and relaxing weekend.

Dear CES community,

Our Year 7 students took part in a series of interactive and engaging problem solving and teambuilding activities at Argan Bedaya. The feedback from the teachers and students was excellent.

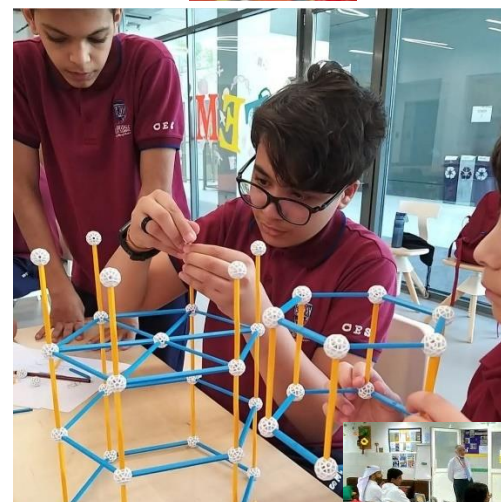

The year 9 students and parents attended our annual Year 9 options evening, in order to learn more about IGCSE's and A levels, plus, progression into University and career opportunities.

It also gave students and parents the opportunity to speak with teachers and ask questions regarding Cambridge and Pearson qualifications.

Have a great weekend!

Some fun and interesting learning this week at CES!
