Dear Parents,

Welcome back to a new year, a new term, and some cooler weather!

It is good to see the enthusiasm and joy on our students faces as they enter school in the morning and meet their friends and teachers.

Today you should have received your child's school report, covering the first term. If you have any questions regarding this report, then please contact their class teacher in the first instance.

Happy 2023 and welcome to term 2. It's great to see our students back, engaged in their learning, ready to embrace new challenges and get involved in all the activities planned for this term.

I welcome hearing from you and our teachers are happy to answer any queries you may have regarding your child's progress at school. Enjoy the lovely cold weather and have a great weekend!

A message from:

Mr. Andy

Headteacher of Secondary

It was great to have met up with members of the whole school student council. The primary and secondary students had some great ideas on how to develop literacy across the whole school. They put forward and discussed their ideas with passion and enthusiasm. We are very lucky to have such proactive student council members who can provide ideas and initiatives to improve our school.
